****IMPORTANT NOTE: Discount code for non-competitive players.**

Due to limitations in Netball Connect we are unable to differentiate prices for non-competitive players and competitive players.

All non-competitive players (7-10 years, born 2016, 2017, 2018 Jan-June 2019) will need to input the discount code: **NON-COMPETITIVE** at the payment stage to reduce their fees from **\$475 to \$425**.

Please ensure you use this code at the time of registration if you are within that age range, as we are unable to refund this later. Any use of the discount code where the player is not within the relevant age range will result in a registration shortfall and therefore an invalid registration.
